

PRESENTATIONS :

1. Safe Surgical Dislocation – Video technique, KOACON 2020, Jan 24, Perinthalmanna, Kerala
2. Safe Surgical Dislocation – Video technique, TNOACON 2020, Feb 8-10, Vellore, India
3. Supracondylar fractures in children – spot the bad ones, TNOACON 2020, Feb 8-10, Vellore, India
4. Foot deformities in CP – when to intervene? SOA Annual Meeting, Oct 31 – Nov 2, Singapore
5. Primary Osteochondroplasty in SCFE, SOA Annual Meeting, Oct 31 – Nov 2, Singapore
6. Osteochondroplasty and Head reduction surgery in Hip, SOA Annual Meeting, Oct 31 – Nov 2, Singapore
7. A safe approach to Musculoskeletal Injuries in paediatric Polytrauma patient, SOA Annual Meeting, Oct 31 – Nov 2, Singapore
8. History, Scientific Basis and Application of Elastic Nailing in Childhood, AO Advanced Technology Symposium - Pediatrics, Sep 20-22, Bangalore, India
9. Fractures of the Tibial Shaft, AO Advanced Technology Symposium - Pediatrics, Sep 20-22, Bangalore, India
10. The Pediatric Polytrauma Patient, AO Advanced Technology Symposium - Pediatrics, Sep 20-22, Bangalore, India
11. Management of Physeal Injuries, IFICS 2019, Aug 23-25, Jaipur, India
12. Interactive Case discussion on Physeal Injuries, IFICS 2019, Aug 23-25, Jaipur, India
13. Caught in the middle of slip – Middlepath regimen for SCFE, TNOACON 2019, 9th Feb 2019, Madurai, India
14. Cubitus Varus & Cubitus Valgus, KOACON 2019, 2nd Feb 2019, Bengaluru, India
15. Unstable SCFE – Top 5 Paediatric Orthopaedic Emergencies (ICL), POSICON 2019, 4th Jan 2019, Mumbai, India
16. Lessons learnt from over 100 slips, IOA Silver Jubilee Oration, IOACON 2018, 28th Nov, Coimbatore, India.
17. Unstable SCFE – how do I manage? - IOACON 2018, 1st Dec, Coimbatore, India.
18. Growth modulation, CME on Deformity Correction (Vasanthi Orthopaedic Hospital), 26th Aug, Chennai, India.
19. Supracondylar fractures – my bag of tricks, CCPOT, 7-8 Apr 2018, New Delhi, India.
20. Lateral condyle fractures – late presentations, CCPOT, 7-8 Apr 2018, New Delhi, India.
21. Complex forearm fractures, CCPOT, 7-8 Apr 2018, New Delhi, India.

22. Lateral wall augmentation in unstable trochanteric fractures – an innovative method(**winner of Prof Dhanrajan Gold Medal**), 9-10 Feb 2018, Nagercoil, India.
23. Infantile septic arthritis, KOACON 2018, 2-3 Feb 2018, Mangalore, India.
24. Genu Valgum, KOACON 2018, 26-27 Jan 2018, Kannur, India.
25. Evaluation of a limping child, KOACON 2018, 26-27 Jan 2018, Kannur, India.
26. Complex Distal Radius fractures in children, POSICON 2018, 17-19 Jan 2018, Vellore, India.
27. Dorgan's pinning, POSICON 2018, 17-19 Jan 2018, Vellore, India.
28. Cubitus varus correction, IOACON 2018, 27-31 Dec 2018, Indore, India.
29. Hip dysplasia – interesting case discussion, IOACON 2018, 27-31 Dec 2018, Indore, India.
30. In-situ screw fixation for SCFE – technique, Prof TKS mid-year CME, 19-20 Aug 2017, Trichy, India.
31. Pathological fracture of femur, Prof TKS mid-year CME, 19-20 Aug 2017, Trichy, India.
32. Cyst in humerus – how I manage?, Prof TKS mid-year CME, 19-20 Aug 2017, Trichy, India.
33. Triple Innominate osteotomy & PAO for hip dysplasia, Prof TKS mid-year CME, 19-20 Aug 2017, Trichy, India.
34. Modified Dunn's Procedure – video technique, Prof TKS mid-year CME, 19-20 Aug 2017, Trichy, India.
35. Data entry and referencing a manuscript, CME on Research Methodology, 6 Aug 2017, Chennai, India.
36. Referencing a manuscript, CME on Research Methodology, 9 Jul 2017, Coimbatore, India.
37. ABCD of physeal injuries, IFICS 2017, 28-30 July 2017, Pune, India.
38. Distal tibia screw fixation – technique, IFICS 2017, 28-30 July 2017, Pune, India.
39. IORAS Masterclass, 26-27 May 2017, Kodaikkanal, India.
40. Femur fractures in Children, POSICON 2017, 25-28 Jan 2017, Nagpur, India.
41. Percutaneous excision of difficult osteoid osteomas with intraoperative CT navigation, POSICON 2017, 25-28 Jan 2017, Nagpur, India.
42. Distal radius fractures in Children, POSICON 2017, 25-28 Jan 2017, Nagpur, India.

43. De-rotation wire for supracondylar humerus fractures, POSICON 2017, 25-28 Jan 2017, Nagpur, India.
44. Percutaneous excision of difficult osteoid osteomas with intraoperative CT navigation (**winner of S.S. Yadav Gold Medal Session**), Dec 15th 2016, IOACON 2016, Kochi, India.
45. Is modified Dunn procedure a better option for treating severe SCFE –An analysis of 37 patients, 36th Annual Congress of HKOA, 5-6th Nov 2016, Hong Kong.
46. Percutaneous excision of difficult osteoid osteomas with intraoperative CT navigation, 36th Annual Congress of HKOA, 5-6th Nov 2016, Hong Kong.
47. Shepherd's crook – how to set it straight? Report of a challenging case of polyostotic fibrous dysplasia, POSTER, 36th Annual Congress of HKOA, 5-6th Nov 2016, Hong Kong.
48. Clinical Examination in CP, CME on Cerebral Palsy, 26th Oct 2016, Mangalore, India.
49. Diagnostic Matrix – Assessment and decision making in CP, CME on Cerebral Palsy, 26th Oct 2016, Mangalore, India.
50. Gait Analysis & Gait deviations in CP, CME on Cerebral Palsy, 26th Oct 2016, Mangalore, India.
51. Botox in CP – when, why & how?, CME on Cerebral Palsy, 26th Oct 2016, Mangalore, India.
52. Foot problems in CP, CME on Cerebral Palsy, 26th Oct 2016, Mangalore, India.
53. IHDI Classification for Hip Dysplasia, GPOS 2016, Sep 2-4, Coimbatore, India.
54. Polytrauma in Children, IFICS 2016, Aug 27-28, Ahmedabad, India.
55. When to do in-situ fixation and when to do Osteotomy in SCFE, CME on paediatric hip disorders, 14th Aug 2016, Chennai, India.
56. Transcervical fracture neck of femur – how to fix it?, CME on paediatric hip disorders, 14th Aug 2016, Chennai, India.
57. What are the difficulties in treating epiphyseal injuries, CCT(Current Concepts in Trauma) 2016, April 1-3, Kolkata, India.
58. TENS – tips & tricks, Ganga Operative Trauma Course 2016, July 27-30, Coimbatore, India.
59. Management of Polytrauma in Children, CCT 2016(Current Concepts in Trauma), April 1-3, Kolkata, India.
60. Epiphyseal Injuries – Diagnosis & Treatment, Pre-conference workshop, POSICON 2016, Bangalore, India.

61. **"All that is pink is not well perfused"** – *an analysis of management of pink pulseless hands over the last 12 years*, TNOACON 2016, Ooty, India
62. Acute physeal Injuries – Diagnosis & Management, TNOACON 2016, Ooty, India.
63. Open reduction in Supracondylar humerus Fractures in Children, Pre-conference workshop, POSICON 2016, Bangalore, India.
64. Shepherd's crook – how to set it straight? Report of a challenging case of polyostotic fibrous dysplasia, POSTER, POSICON 2016, Bangalore, India.
65. Modified Dunn's Procedure – Is it a safe bet for treating severe slipped capital femoral epiphysis?, **Prof Ramanathan Gold Medal Session**, TNOACON 2015, Feb 14-15, Salem.
66. Supracondylar fracture humerus – Spot the bad ones, TNOACON 2015, Feb 14-15, Salem.
67. Ponseti's casting – workshop & lecture, TNOACON 2015, Feb 14-15, Salem.
68. Evaluation of Foot injuries in Children, Workshop on foot & ankle deformities, POSICON 2015, Jan 29-Feb 1, New Delhi.
69. Distal tibial physeal injuries, Workshop on foot & ankle deformities, POSICON 2015, Jan 29-Feb 1, New Delhi.
70. Interesting Case Presentation – Ankle Fracture, POSICON 2015, Jan 29-Feb 1, New Delhi.
71. **SCFE – the Ganga Experience**, Ganga Pediatric Operative Hip Course, Dec5-7 2014, Coimbatore, India.
72. Modified Dunn's Procedure – Is it a safe bet for treating severe slipped capital femoral epiphysis?, **(winner of Dr Joy Patankar Gold Medal)**, IOACON 2014, November 20-22, Hyderabad, India.
73. Complications of Fracture Neck Femur in Children, Aug 2nd 2014, IFICS, Pune.
74. Management of Pink Pulseless Hand with Supracondylar Fractures, Aug 3rd 2014, IFICS, Pune.
75. Acute Lateral condyle fractures in children, Trauma Conclave, July 27th 2014, Chennai.
76. Radial Neck fractures in children, Trauma Conclave, July 27th 2014, Chennai.
77. Interactive Case discussion – Lower limbs, Trauma Conclave, July 27th 2014, Chennai.
78. Radial Neck Fractures in children, Trauma Conclave, July 6th 2014, Bangalore.
79. Ankle Fractures in children, Trauma Conclave, July 6th 2014, Bangalore.

80. Allografts – a boon in treating pediatric bone tumours, Free Paper session, POSICON 2014, Chennai.
81. Is prone position ideal for closed reduction & pinning of pediatric supracondylar fractures? Prof Ramanathan Medal Session, TNOACON 2014, Chennai.
82. Sliding-angulation osteotomy of ulna for chronic radial head dislocation following missed Monteggia Injuries – An innovative technique” - **POSTER** presented in IPOS 2013, Orlando, USA.
83. Is prone position ideal for closed reduction & pinning of pediatric supracondylar fractures? **Dr Joy Patankar Gold Medal**, IOACON 2013, Agra. **(co-author)**
84. Management of Lateral Condyle Fractures – Pediatric Trauma Workshop, POSICON 2013, Ahmedabad.
85. Does elastic nailing for paediatric forearm fractures make a difference? – **Prof M Natarajan Gold Medal**, TNOACON 2013, Thanjavur. **(co-author)**
86. **How do I** do it? – 6 yrs old child with Type III SC fracture humerus with soft tissue swelling and no deficit, Pediatric Session, IOACON 2012, Chennai.
87. Cost-effective Radiography Combined With Image Processing Can Differentiate Fractured and Non-fractured in Non-osteoporotic Individuals, RC Rallan Gold Medal Session, IOACON 2012, Chennai
88. Does elastic nailing for paediatric forearm fractures make a difference? – Dr Joy Patankar Gold Medal Session, IOACON 2012, Chennai.
89. Ultrastructural changes in intervertebral discs due to altered mechanical loading – an electron Chandigarh, India, **BEST PAPER AWARD, POSICON 2011.**
90. Pirani Scoring in CTEV, Day-to day pediatric orthopedics, CME, Madurai, October 2011
91. Physeal Injuries, Day-to day pediatric orthopedics, CME, Madurai, October 2011
92. Supracondylar fracture humerus with vascular injury, Day-to day pediatric orthopedics, CME, Madurai, October 2011
93. Surgical Approaches to the Paediatric Hip, CME on Paediatric Hip disorders, Mangalore, March 2011
94. Interesting Paediatric Hip Problems, CME on Paediatric Hip disorders, Mangalore, March 2011
95. Management of Supracondylar Fracture Humerus in children with pink pulseless hand, Dr K Venkatadass, POSI-POSNA Paediatric Fracture Course 2010, Colombo

96. Management of comminuted femur fracture in adolescents: Dr K Venkatadass, POSI-POSNA Paediatric Fracture Course 2010, Colombo
97. Workshop on Missed Monteggia Injuries in children: Dr K Venkatadass , POSI-POSNA Paediatric Fracture Course 2010, Colombo
98. Management of Supracondylar Fracture Humerus in children with pink pulseless hand, Dr K Venkatadass, POSI-POSNA Paediatric Fracture Course 2010, Coimbatore
99. Management of comminuted femur fracture in adolescents: Dr K Venkatadass, POSI-POSNA Paediatric Fracture Course 2010, Coimbatore
100. "Evaluation of clubfeet treated by Ponseti's technique – An analysis of form, function & radiology at 2 yrs follow-up" - presented at the POSI Gold Medal Paper Session in Jan 2010, Hyderabad. Dr K Venkatadass, Dr Satyanarayana Reddy, Dr Ajoy Shetty, Dr S Rajasekaran
101. "Electron microscopic analysis of scoliotic disc" – presented for the Basic Science Research Medal at TNOACON 2010. Dr K Venkatadass, Dr Anna Pulimood, Dr Vidyadhara, Dr S Rajasekaran
102. "Sliding-angulation osteotomy of ulna for chronic radial head dislocation following missed Monteggia Injuries – An innovative technique" - winner of **Prof. Dhanrajan Gold Medal** in TNOACON 2009, Coimbatore
103. "Sliding – angulation osteotomy of proximal ulna for persistent radial head dislocation: A novel technique", Poster presentation at POSICON 2008
104. "Use of Ponseti's technique in recurrent clubfeet following Kite's method of correction", Paper presented at POSICON 2008, Coimbatore, India
105. "Tumoral Calcinosis of Hand: A rare Location with Unusual Presentation"
106. *The Internet Journal of Orthopaedic Surgery. 2006 Volume 3 Number 2.*
107. "Pure Ankle Dislocation – a Blessing in disguise?", presented in **OASISCON** 2006 in Tirupati, India. (OASIS – Orthopaedic Association of South Indian States) :Dr. K Venkatadass, Prof. M Sudhakar Shetty, Dr. Praveen Bhardwaj
108. "Pseudo-dislocation of Acromioclavicular Joint – A case Report." presented in **KOACON** 2004, Shimoga, India. (Karnataka Orthopaedic Association) Prof. M Sudhakar Shetty, Dr. Amarnath Savur, Dr. K Venkatadass
