

List of conferences and CMEs attended 2015-2020

Meeting Name	Capacity	Title
2015		
AO Spine operative spine course, Coimbatore, India	Faculty	1. Performed live surgeries
		2. Injection techniques in degenerative disc disease
		3. Spine Anatomy and function
		4. OT Discipline and Asepsis
		5. Pedicle screws
ASSICON 2015 Pune, India		1. Case presentation – Spinal Deformity 2. Patterns of disc degeneration in disc prolapse and degeneration
NSpine meeting, Nottingham, England	Faculty	1. Physiology of the cervical intervertebral disc 2. Tuberculosis of the craniocervical junction 3. Surgical techniques in cervical myelopathy
2016		
Japanese Spine Society Research meeting, Chiba, Japan	Faculty	Diffusion tensor imaging of Spinal cord
Ganga radiology course Coimbatore, India	Faculty	1. Low back pain with radiculopathy 2. Vertebroplasty vs kyphoplasty
IOACON 2016 Kochi, India	Faculty	Orthopedic research methodology workshop 1. Clinical Study Designs and assignment of level of evidence 2. How to effectively use technology for Research 3. Current status of research in India
TNOACON, Ooty, India	Faculty	1. When to operate a spondylolisthesis 2. Circumferential fusion through all-posterior approach in Andersson lesion: results of 20 patients.

2017		
AO spine operative spine course, Coimbatore, India	Faculty	1. Performed surgeries 2. Use of mono polar and bi-polar cautery in spine surgery
N Spine Interactive spine series, Arosa, Switzerland	Delegate	Interesting case presentation
Instructional course series Spine, Kovalam, India	Faculty	Posterior Surgery with augmentation Strategies Paediatric Cervical Spine Injuries: Lessons learned
TNOA research methodology course, Chennai, India	Faculty	1. Clinical study designs 2. P value and basic statistics
TNOACON Coimbatore, India	Faculty	Gold medal presentation – Proteomics in lumbar disc degeneration
2018		
Tamilnadu Orthopedic Association TNOACON 2018 Nagercoil, Tamilnadu	Faculty	1. Post tubercular sequelae 2. Predictors of successful outcomes in SNRB in acute disc herniation (MEDAL) 3. Spinal secondaries – principles of management 4. Spinal infections (Moderator for panel)
SICOT Speciality Orthopaedic Review Course - SORC 2018 Mumbai September 7-9	Faculty	1. Clinical examination of Spine. 2. Instrumentation in spinal tuberculosis
2nd ASSI Live Surgery Course June 8 to 10, 2018, New Delhi	Faculty	Live demonstration of selective nerve root blocks Table faculty for “Dural Repair workshop” Panelist in panel discussion on “Adult Deformity: Decision Making”
ISSICON Spinal cord injury conference, 5th October 2018, Chennai	Faculty	1. Spine Trauma Classification Workshop – Chairperson 2. Why do we need classifications – Importance

Indian Orthopedic Association IOACON November 26 – Dec 2, Coimbatore, India	Faculty	Basic science and Spine Free papers – Chairperson Convenor – Post graduate teaching course
CSRS – AP meeting, New Delhi, March 2018	Faculty/ Organiser	Modified Anterior only reduction and fusion for dislocation
AO Spine Faculty education programme, Xian, China, May 12-14, 2018	Faculty	Group discussions and model presentations
2019		
AO Spine Cadaver course 2019	Faculty	<ol style="list-style-type: none"> 1. TL instrumentation biomechanics 2. Anterior exposure of cervico - thoracic junction techniques 3. Table instructor – Cadaver dissections
AO Spine Kathmandu course 2019 October, Nepal	Faculty	<p>Recurrent Disc prolapse : Tips and pearls, Surgical principles</p> <p>When do you operate on a patient with IAS? Does Lenke' classification help in surgical planning?</p> <p>Osteoportic spine : how can we make the fixations stronger?</p>
Dibrugarh Cadaveric Spine Workshop (Virtua), India	Faculty	<p>How to achieve good fusion</p> <p>How to reduce type C injuries</p>
ICS, Mangalore, India	Faculty	<p>Instrumentation in spinal tuberculosis</p> <p>Classification of deformity in TB</p>
TNOACON 2019, Madurai, India	Faculty	<p>Selective nerve blocks</p> <p>What is an ideal manuscript</p>
World forum for neurosciences, New Delhi, India	Faculty	<p>When right things go wrong - case illustration of bad coronal balance</p> <p>Harmony – Avoidance of PJK</p> <p>When right things go wrong - case illustration of bad sagittal balance</p>

American Academy of Ortho Surgeons meeting, Las Vegas, 2019 March	Speaker	<ol style="list-style-type: none"> 1. Prediction of neurological recovery based on MRI in patients with thoraco-lumbar spinal cord injury (PODIUM) 2. Cost Effectiveness in Adolescent Scoliosis Surgery: Perspective from the developing world (poster) <p>A prospective randomised controlled, blinded study to analyse the efficacy of balanced preemptive analgesia in lumbar fusion surgery (Poster)</p>
2020		
Young Radiotherapists Organisation Conference, 2020, India	Faculty	Approach to spinal metastasis
ISSICON 2020, Virtual, India	Faculty	How to reduce a bi-facetral dislocation
TNOACON 2020, Vellore, India	Faculty	Thoraco lumbar fracture dislocation with intact neurology Back pain in children
Bombay orthopaedic society spine course, Mumbai	Faculty	Pedicle screw techniques in complex deformity
OASISCON 2020, India	Faculty	Management of fractures in ankylosing spondylitis
Nottingham Alumni Webinar series, India	Faculty	Degenerative scoliosis Vertebroplasty
Orthopedic Principles, Kochi, India	Faculty	<ol style="list-style-type: none"> 1. Transverse fractures of sacrum 2. Spinal tuberculosis 3. Selective nerve blocks 4. How to publish your paper
ASSI disc herniation symposium, India	Faculty	How to perform microdiscectomy
ASSI virtual conference 2020, India	Faculty	Management of transverse fractures of the sacrum
2021		
ASSI virtual conference 2021, India	Faculty	Video – Corpectomy MRI in spinal infections

TNOA Case presentation, Webinar series 2020	Faculty	Spinal tuberculosis examination
2021		
Pune webinar series, 2021, Pune	Faculty	Indian versus imported screws – how to choose
